Motion Carried

Business Arising from Minutes

There was no business arising from the minutes.

Presentations

Shannon Peterson and Dave Penny - PVSC

Shannon Peterson and Dave Penny from the Property Valuation Services Corporation (PVSC) provided Council with an overview of the assessment process that is followed by the organization when determining property assessment values. Assessment notices to property owners were mailed out on January 11th, and media kits have been provided to the Municipality to share with residents. Antigonish County-specific statistics were shared with Council, including an overall assessment profile for the County that identified a total assessment roll of \$1,624,825,700. This year's deadline for appeals is midnight on February 11, 2021, and the process for filing an appeal was reviewed for the benefit of Council.

Questions about the average number of appeals each year, the conversion of resource exempt to resource taxable or residential when a property is severed and sold were asked. Ms. Peterson noted that proof of active foresting required in the circumstance of resource exempt/taxable/residential conversion when land is severed and sold, and in that circumstance property owners should be contacted by an assessor, which is a recent change. Warden McCarron thanked Ms. Peterson and Mr. Penny for their presentation.

Correspondence

There was no correspondence.

Committee Reports
