The following information was released in response to a Freedom of Information request:

**RE: Application to Access a Record**

---

Please note that on March 30, 2022 I received your request pursuant to Part XX of the Municipal Government Act for access to the following information:

*All records (including, but not limited to, emails, reports, presentations, etc.) relating to acts of fraud committed or attempted against the municipality. The date range for documentation should be March 1, 2020, to the present.*

Having conducted a review, it was determined that there were no acts of fraud committed or attempted against the municipality in the date range requested and therefore no records on the matter.
