The following information was released in response to a Freedom of Information request:

RE: Application to Access a Record

Please note that on April 24, 2023 I received your request pursuant to Part XX of the Municipal Government Act for access to the following information:

I would like to know if any investigations are being down with regards to Vaccine injuries or Death caused by the Covid-19 vaccine program. I would like any documents that may relate to Covid-19 vaccine injury or death.

Having conducted a review of municipal records, it was determined that there were no investigations done by the municipality with regards to vaccine injuries or death caused by the Covid-19 vaccine, and therefore no records on the matter.

Sincerely,

Glenn Horne
