# A MESSAGE FROM THE WARDEN & your Antigonish County Council

**Welcome, Kwe, Bonjour, Failte, Welkom:**

We have had a beautiful start to fall this year.

It was an exciting summer around Antigonish with many events happening including, the Pomquet 250 celebrations, Tracadie Show and Shine, Canada Day celebrations, events at Riverside Speedway, the Eastern Nova Scotia Exhibition, Antigonish Highland Games, Nova Scotia Summerfest and so much more! It was nice to see visitors to our community and the local businesses filled with patrons.

Municipal staff have been very busy with capital projects. Work is ongoing to complete the waterline extension and addition of a new water storage tank in St. Josephs. Curb and gutter work is ongoing on Keating Court. Paving was done this summer on Appleseed Drive and the Mini-Pitch is under construction along Appleseed Drive as well.

Municipal Elections will be taking place on October 19, information regarding districts, candidates seeking election and polling locations can be found on pages 4-5. I encourage everyone to get out to vote.

After serving 30 years as Councillor, Deputy Warden and Warden for the Municipality of the County of Antigonish, I have decided to step aside from Municipal politics and not re-offer for the upcoming election. I have thoroughly enjoyed my time serving the residents of District 6 and am very proud of what we have accomplished and how our community has grown over the past three decades. Good luck to all candidates who have put their names forward to run for municipal council.

I would also like to take this opportunity to welcome Shirlyn Donovan as our new Chief Administrative Officer. Shirlyn has worked for the Municipality for 16 years and we wish her success in this new role.

The fall is a wonderful time to get out and explore all of what Antigonish County has to offer. Walk the beaches, go for hike, walk or cycle the Active Transportation Corridor and be sure to check out the Farmers Market. On that note, I wish a successful fall harvest to all of the farmers!

Have a wonderful, safe, active and healthy fall and winter.

Respectfully,

  
Warden Owen McCarron

MAKE YOUR MOVE

# Antigonish

Make Your Move Antigonish highlights the value of small, everyday movements like walking during breaks, parking farther away, or being more active outdoors. Every little movement improves our wellness and makes us feel better. These small changes add up, boosting our overall well-being.

## What's your next move?

Walking is an easy, effective way to stay active and accessible to most. To support community interest in walking groups, we're creating some new opportunities to suit different abilities and preferences. Follow our social media pages for times and places starting this October.

Make Your Move at Work is a program that promotes active, healthy workspaces by encouraging movement throughout the day. Many of us spend hours sitting in offices or schools, but this fall, we're here to help local workplaces boost overall well-being. # EQUIPMENT LOAN PROGRAM

## Recreational Equipment Available for Loan

Triad TMX T-5 is a robust tricycle suited for older children with an overall height of 47" (120cm) to 57" (145cm). It is fitted with 20" wheels and has a recommended maximum weight of 150lbs.

FRE DCP16 is a tricycle small enough for younger children but adaptable to fit most kids. Its direct drive and low gear ratios make pedaling easy for beginners. Maximum weight of 150lbs.

A Hippocampe is an all terrain wheelchair that gives its rider a sense of freedom to go anywhere and enjoy the great outdoors. Lightweight, compact, waterproof, & buoyant, this wheelchair provides accessibility to difficult terrain including the beach, snow, sand & mountains. It can be pushed or self-propelled and has a weight restriction of 250lbs-300lbs.

PFD-A's combine the safety of other PFD's while also providing extra head support. They allow the user to float while lying on their back and are difficult to overturn.

LJ-A's are a PFD that supports the upright position for disabled person. It allows the user to swim comfortably on their stomach and to float on their back.

Mobi Chair is a high quality, adjustable beach wheelchair that provides a seamless transition from boardwalk-to-beach-to-water for riders with low mobility. Equipped with large wheels, safety straps, & a push bar. Wheels and arm rests act as floatation devices allowing the rider to float in the water. The Mobi chair has a weight restriction of 300lbs.

Sledges are used to allow participants to enjoy a game of hockey or simply glide on the ice in a seated position. The sledges are equipped with a push bar as well as hockey sticks to help the rider propel themselves forward. Great equipment for riders with limited mobility or compromised balance.

# EQUIPMENT LOAN PROGRAM

## Recreational Equipment Available for Loan

The TerraWheel is designed with the goal to provide the most versatile options for wheelchair users to maximize their outdoor experience and enjoy outdoor activities to their full ability.

A Snow Coach is a great sled for those who need lateral support and have good head, neck, & trunk support. The sled has a padded seat, safety straps, raised back support, a head rest, steel runner and a push handle.

AS 2000 is an adapted bike designed for riders age 14+. Fitted with 20" wheels and 7 speeds to give the option of selecting easy or challenging pedaling. Suitable for those with inseam 23"-34" and maximum recommended weight is 225lbs.

Adaptive canoe equipment including lashing bars to join two canoes together creating a stable platform to fish, motor, or sail. Canoe stabilizer floats are universal and designed to keep the canoe stable and upright. Drop in seats that are lightweight, durable and made of a strong aluminum frame holding up to 300lbs.

Personal Flotation Device (PFD) are available in 4 different sizes and they allow users to stay afloat. Sizes are infant, child, youth and adult.

# LEARN TO SWIM PROGRAM

## Antigonish County Recreation is excited to announce the return of our Learn to Swim program!

It has been over four years since we've been able to offer a consistent community swim program in Antigonish due to COVID-19 and construction. Lessons will begin late fall.

Here are the steps we're taking to ensure the program meets the needs of our community:

We're hiring swim instructors – if interested in becoming a swim instructor please contact:  
[amyleigh.george@antigonishcounty.ca](mailto:amyleigh.george@antigonishcounty.ca)

Take our survey – Let us know your child's current swimming ability and enter for a chance to win a free swim session!

Registration will be on Sport Hub. Make sure you have a Sport Hub account. Visit [mysporthub.ca](https://mysporthub.ca) to create one

Attend evaluation sessions -Register for a free time slot to have your child's swimming abilities assessed by a swim instructor. Keep an eye on our Facebook page and website for details to come!

Registration for lessons will open late October.

To take the survey visit our website at

# A SNAPSHOT OF YOUR MUNICIPAL TAX DOLLARS AT WORK! 2024—2025

*“Honor Yesterday, Act Today and Inspire Tomorrow”*

This mission is the foundation of how we develop our annual budget, how we do business and how we operate fiscally. Customer service, community development, efficient use of tax dollars and accountability are all principles of how the Municipal team works with the budget.

This is a snapshot of current municipal operations broken down by budget sector. The Municipality manages finances with Operating, Capital and Utility Budgets. These budgets are developed annually and the fiscal year runs from April 1st to March 31st.

The funds used to develop this budget and operate municipal services are generated from taxes, services charges, and grants (federal, provincial & other).

This snapshot will provide an overview of the annual budget and a breakdown of how tax dollars are used to provide services each month.

# DEVELOPING AND BUILDING IN ANTIGONISH COUNTY

In Nova Scotia, it is a legal requirement to obtain development and/or building permits before site development or building begins. The Municipality is a member of the Eastern District Planning Commission (EDPC) and has a team available to support you through the building and development process. Remember wherever a Land-Use Bylaw is in effect a **Development Permit** is required before a **Building Permit** can be issued. [www.edpc.ca](http://www.edpc.ca)

## MEET OUR PLANNING STAFF

**Sean Donovan - Manager of Inspection Services.** Contact Sean before you start construction to discuss your project, permits and inspections required, and timelines. He will also advise you when it is necessary to obtain permits from other provincial bodies, Public Works or the Development Officer. He can be reached at 902-863-2366.

**Andrew Jones - Senior Planner.** Andrew will assist you with land use planning and help you to navigate zoning inquiries and rezoning. He can give you planning advice if you are considering developing your land. He is also the contact person for the Eastern Antigonish Municipal Planning Strategy review process. Andrew can be reached at 1-902-625-1259, or on Tuesdays and Thursdays at 902-863-1117.

## PERMITS & INSPECTIONS

For more information regarding development and building permits or to apply for a permit, contact the Planning Staff above. A copy of your plan including site and construction/building plans will be required.

Once you have a permit and work has begun, inspections are required at various stages, and are the responsibility of the homeowner. Inspections must be arranged with Inspector by the owner, the contractor or the developer.

	Inspections Conducted Using 2015 National Building Code
1.	Footings in place
2.	Subfloor plumbing
3.	Subfloor and foundation insulation
4.	Pre-backfill
5.	i) the framing, roof, plumbing and mechanical systems; (ii) insulation and vapour barrier before wall framing is covered (except in manufactured and modular homes).
6.	For Manufactured and Modular homes: (i) superstructure installation and anchorage systems, (ii) foundation, insulation and vapour barrier before wall framing is covered and plumbing connections below the first floor.
7.	Before Occupancy (so that an Occupancy Permit may be issued.)

## BLUE BAG SAFETY TIPS

Always consider your safety and the safety of those collecting and sorting your recycling when preparing any item for the blue bag.

**Step 1 (Safety Rinse)** Carefully rinse the can - some people use a bottle brush and it is easiest if you do it soon after opening the can!

**Step 2 (Lid Safety)** If the lid is attached to the can, carefully push it down into the can so that the sharp edge is not exposed. If the lid has been completely removed from the can, it is best to drop it into the can and then, if possible, squeeze the top of the can to close the opening as much as possible. Then place it into your blue bag. If you use a can opener that removes sharp edges, you will not be able to place the lid into the can. Place these lids into the blue bag separate from the can.

## DOG CONTROL & REGULATION BY-LAW

**Antigonish County is a great place to have a dog.  
Are you a responsible dog owner?**

Responsible dog ownership in Antigonish County includes:

- Being familiar with, and following, the Municipality's Dog By-law.
- Keeping your dog on your property, and not letting them run loose off your property.
- Cleaning up your dog's waste.
- Not letting your dog be a nuisance by barking continuously.
- Not allowing your dog to chase people or their pets as they walk or cycle past your property.

The Municipality's Dog By-law can be found on the Municipality's website, or copies can be provided at the Municipal Office.

If your dog is off your property, it must be under your care and control with a leash. Dogs act differently away from home and can be distracted by wildlife, other pets, and people. Keeping your dog on a leash allows you to be able to keep your dog from approaching others who may not be comfortable around them and helps you to keep your dog safely away from moving cars and other animals.

The County has a Dog Control Officer who is authorized by the Municipality to enforce the Dog By-law. Enforcement can include warnings, fines, or the seizure of the dog.

**The Dog Control Officer for the  
County can be reached at:**

**902-863-9501.**

# Saint Martha's

REGIONAL HOSPITAL

## foundation

At the St. Martha's Regional Hospital Foundation, we are thankful to be able to continue to provide funding to our community hospital.

Thanks to the generosity of donors like you, we are able to fund ground-breaking education, cutting-edge research and innovative medical equipment to support better patient care. This ensures St Martha's can maintain, but also offer new services that keep patients from travelling to Halifax, Truro or Sydney.

We ask that you consider making a pledge or donation to the Foundation. Together we can support our community and ensure our hospital is prepared for whatever the future holds!
